

August 19, 2020

Hello Parents and Guardians,

Starting next week your child will be taking their district NWEA assessments. This assessment helps to determine what concepts your child is ready to learn. It is not being used for a grade. By taking the NWEA assessments, we will be able to measure growth over time, provide detailed reports about your child's progress, and have individual student data for flexible grouping. Your child will be taking the NWEA assessments on the following dates and times:

Testing Schedule		
Monday, August 24th, 2020	Language (Grades 3-8)	8:00 a.m.-10:30 a.m
Tuesday, August 25th, 2020	Reading (Grades K-8)	8:00 a.m.-10:30 a.m
Wednesday, August 26th, 2020	Math (Grades K-8)	8:00 a.m.-10:30 a.m

On these days of testing, please ensure that your child gets a good night's sleep, eats a healthy breakfast, and joins Google Meets for testing on time. Please find a quiet space for your child to take the assessments. Some of the tests will require headphones. If you have a pair, please set them next to your child's device during testing. It is important for children to complete the assessments without help from caregivers. While it may be tempting, please do not help them with their assessment. This is to measure where they are academically so we can best support their learning in the future.

We appreciate your support during these times of remote testing.

Sincerely,

Lisa Sandomir

Lisa Sandomir
Principal
