

# 3RD GRADE NEWSLETTER

WEEK OF SEPTEMBER 14TH-SEPTEMBER 18TH

## Reminders

- To be on time to live lessons.
- Online etiquette is important (sitting position, attentive, materials ready)
- Email your child's teacher for any questions or concerns. We are here for you
- September 23rd early release at 11:30 am.

## Classroom News

Cheetah Parents,

Every Tuesday from 5-6:00 pm Cheatham will host a weekly, PARENT SUPPORT CENTER. Providing parents on-site training in navigating the digital platform in order to support their child at home during distance learning. If you decide to attend bring a mask and your child's chromebook.

If you have not completed the [parent survey](#) to update your preference on the four schooling options please completed as soon as possible

Thank you,  
-3rd Grade Team

## Shout Outs!

**Romeo-Happy Birthday** Romeo who will be celebrating his birthday on Wednesday!

**Dominic** -For trying his best and being positive.

**Bibi-** For asking for help when needed.

## Quote of the week:

We are stronger when work together!

## Helpful Tips at Home:

-Have your child read a book and explain what happen using the words:

First, next, then and last.

-Practice sight word flash cards

-Memory games to build strong minds.

## What We're Learning Next Week

**Reading:** This week, students will dig deep into our Chapter book, *Treasure in the Trees*, by looking at the characters, text features, and main idea to answer comprehension questions using details from a fictional chapter book.

**Writing:** This week, students learn how to properly write sentences using subject verb agreements..

**Math:** This week, we are starting chapter 3 subtraction strategies.

**Science:** This week, we will start learning about our planet earth and how the sun is our main source of energy.
