

3RD GRADE NEWSLETTER

WEEK OF SEPTEMBER 8TH-SEPTEMBER 11TH

Reminders

- Complete the parent survey asap sent via email.
- Wednesday is a half day for students.
- Online etiquette is important (sitting position, attentive, materials ready)
- Email your child's teacher for any questions or concerns. We are here for you.

Classroom News

Cheetah Parents,

Starting Tuesday, September 8th from 5-6:00 pm Cheatham will host a weekly, PARENT SUPPORT CENTER. Providing parents on-site training in navigating the digital platform in order to support their child at home during distance learning. If you decide to attend bring a mask and your child's chromebook.

Progress reports have been sent out via email. If you did not receive your child's report card email your child's teacher.

This week we will be completing make-ups for NWEA Map Fluency testing. If your child did not take their fluency test on friday they will need to complete it this week.

Thank you,
-3rd Grade Team

Mrs. Buechel: jbuechel@laveeneld.org 602-237-7040 ext: 3448

Ms. Johnson: djohnson3@laveeneld.org 602-237-7040 ext: 3449

Ms. Coronado: ccoronado@laveeneld.org 602-237-7040 ext: 3450

Half Day Schedule:

8:00-10:00 ELA

10:00-11:00 Math

11:00-11:30 Specials

Shout Outs!

Sebastian and Safi-For doing great with their online learning and receiving PAW-sitive Referrals!

Matthew-For receiving August student of the month!

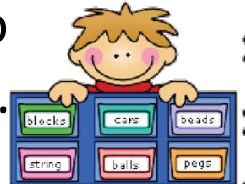

Quote of the week:

Act as if what you do makes a difference, it does!

Helpful Tips at Home:

- Have your child practice writing: daily schedule, grocery list, chores list
- Practice sight word flash cards
- Memory games to build strong minds.

What We're Learning Next Week

Reading: This week, students will work with main idea and key details this week. They will look at illustrations and text features to help determine main idea. Students will also work with points of view.

Writing: This week, students will focus on organizing their writing using a four square graphic organizer to describe the sequence of events in a story.

Math: This week, we will continue working with addition adding four digit numbers with regrouping using a variety of strategies.

Science: This week, we will compare sound and light energy looking at similarities and differences.
