Class Dojo

On Monday, the students are going to learn about Class Dojo. The students can earn or lose points based on their academics and behavior. You should have received an email about signing in as a parent so you can see how your child is doing on a daily basis. Contact me if you have not.

Science Curriculum

This year, our district adopted a new science curriculum that is digital. The students will be able to login to this website and experience all this program has to offer including experiments online, online assessments and videos to enhance their science learning.

Panther P.A.C.T.

For the next couple of weeks and throughout the school year, we will be reinforcing the Panther P.A.C.T. You will see posters in the classroom and around the school that explain about what should be seen and heard in areas such as the hallway, courtyard, cafeteria, classroom, etc. Look for a PASSPORT from your child that needs to be signed by you.

Below is a 'Welcome Families' message and a navigation menu with links for Home, Assignments, Classroom Updates, Photo Galleries, Teacher Bio, Class Schedule, Homework, Class Dojo, Technology, and Birthdays.

Thank you for attending Meet the Teacher Night! If you click on the "CLICK HERE" link above, you will find valuable information on my website. This week, look for forms in your child's red folder that need to be signed by you. Some of you already received the folder at the Meet the Teacher night. If your child gets the yellow information form, PACT PASSPORT, and User Agreement form signed, they receive a free dress down day on Friday, August 12th!
