October 24, 2016

Opposite poles attract

Same poles repel

**Window**

$$42 \times 35 = 1,470$$

30	1200	60
5	200	10

**Breaking Apart**

$$42 \times 35 = 1,470$$

$$40 \times 30 = 1,200$$

$$40 \times 5 = 200$$

$$2 \times 5 = 10$$

$$2 \times 30 = 60$$

$$1,200 + 200 + 10 + 60 = 1,470$$

**42x35 Lattice**

	4	2	x	
1	1	2	0	3
4	2	0	1	0
7	0	0	5	

**Traditional**

$$\begin{array}{r} 42 \\ \times 35 \\ \hline 210 \\ +1260 \\ \hline 1470 \end{array}$$

## Parent-Teacher Conferences

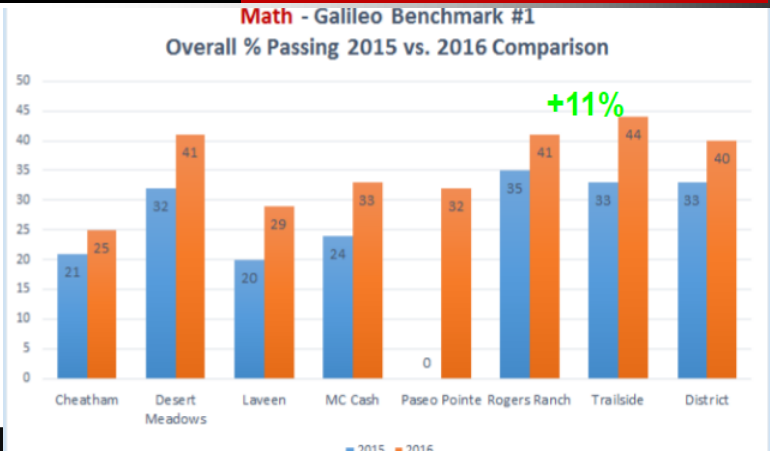

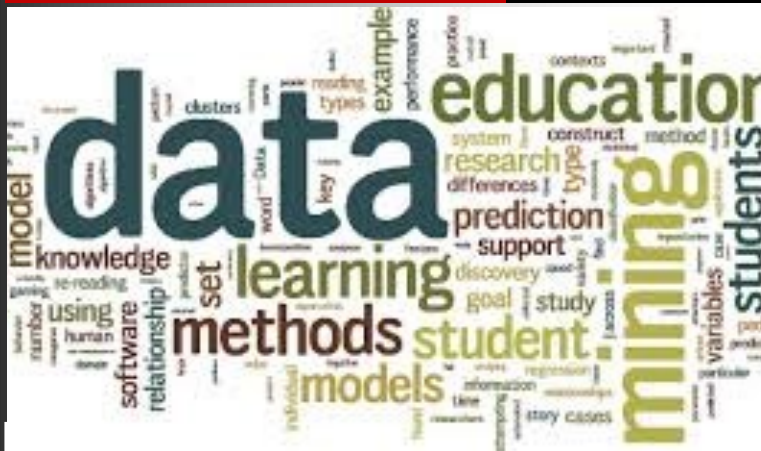

I am excited to see all of you at Parent-Teacher Conferences this week. This is a chance for us to reevaluate the goals created earlier, answer any questions you have, and discuss upcoming standards for this year. You will also receive your child's report card for quarter 1.

## Science- Circuits and Magnets

In science, your child is learning about circuitry and magnetism. You can ask them at dinner whether or not your home has parallel or series circuits. They also know the difference between conductors and insulators. They can also tell you opposites attract!

## Math- Double Digit Multiplication

For math, our Chapter 4 review is on Monday and the Chapter 4 test is Tuesday. Look for the review sheets tomorrow. We will be starting Chapter 5 which focus is double digit multiplication on Wednesday. They also need to practice their vocabulary word definitions at home.

## Data Assemblies

Our fourth grade data assembly is on Thursday, October 27th from 7:45-8:20 a.m. in the cafeteria. We will be discussing how the students averaged as a grade level at Trailside compared to the district. Also, we will honor those students who earned the Principal List and Honor Roll Awards for quarter one.

We are so proud of them!
