

Sixth Grade News

August 29th - September 2nd

What are we learning this week?

ELA

Novel: Hatchet

Short Story: The Magic Marker Mystery

Objective: After engaging in a close read and discussion, students will be able to explain how dramatic elements and structure of a drama affect the plot.

Math

Topic: Equivalent Ratios

Objective: Students will be able to use unit rates to compare ratios and equivalent fractions to compare rates and ratios.

Science

Unit: Kelp Forests

Objective: SW identify oceanic and ecosystems by understanding how kelp growth rate and density effects the oceans.

Social Studies

Topic: Mesopotamia

Objective: Students will explain how ancient Mesopotamia harnessed the power of their rivers to build a flourishing society.

Reminders

* If your child was nominated for student of the month, be on the lookout for a flyer going home this week.

Student of the Month will be this Thursday at 7am in the gymnasium!

August Student of the Month Recipients:

Congratulations

Prince'David, Robson, & Kendreah!!!!

* Students must be wearing ID's on campus at all times. Please make sure your child has this each morning! If your child has lost their ID, they will need to purchase a new one for \$4. This included the ID, case, and lanyard.

Paw to Paw

This past Wednesday our sixth graders participated in Cheatham's Paw to Paw program! We are partnered up with first graders this year and we meet once a month with our buddies. They got to know their first grade buddy and helped them learn about "Think. PAWS. Respond". Our sixth graders are really excited to be mentors this year. We will be posting pics throughout the year on our class websites!

Labor Day

Students will have no school on September 5th for Labor Day.

Have a pawsome week!
