

# Sixth Grade News

August 15th - August 19th

## What are we learning this week?

### ELA

Novel: Hatchet

Short Story: The Mighty Miss Malone

Objective: SW be able to analyze and identify character traits and key events.

### Math

Topic: Ratios & Unit Rates

Objective: Understand the concept of a unit rate associated with a ratio and use rate language in the context of a ratio relationship.

### Science

Unit: Kelp Forests

Objective: SW identify oceanic and ecosystems by understanding how kelp growth rate and density effects the oceans.

### Social Studies

Topic: Early Humans

Objective: Students will describe the migration of early humans and explain how they created technological and cultural innovations that made these moves possible and improved their lives in the process.

## Reminders

Purple packets that contain technology release forms, health forms, and attendance forms must be turned in by the end of this week or your student will not be allowed to access the chromebook.

Students must be wearing ID's on campus at all times. Please make sure your child has this each morning!

Uniforms: Many students have been coming to school in hoodies that are not in uniform colors. Hoodies and Sweatshirts must be black, gray, white, or blue with no logos/images.

Tech zones: Students can be on their phones in designated tech zones across campus (playground, cafeteria, outside courtyard). If they are on their phones in No tech zones, they will lose phone privileges.

## Scholastic Book Order

Students can also bring in their book order flyer with money and Ms. Long will be submitting an order online for those purchases on August 26th.
