

Welcome to **SIXTH GRADE**

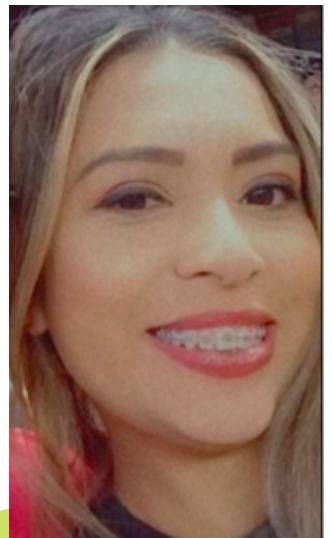

MS. LONG

Hello families! I will be teaching English Language Arts and Math this year! This will be my 11th year as an educator and my 7th year at Cheatham. This year we will be going on many adventures through our novel studies and book talks. I love reading and I hope to instill that love of books in each of you! I am so excited to get to know each and everyone of you. We are going to have a great year!

MS. LOPEZ

Hello sixth grade scientists! I am Ms. Lopez and I will be teaching Science and Math this year. This will be my 8th year at Cheatham. Many of you may already be familiar with me because I tend to be a social butterfly. I am extremely excited to be your teacher this year! As your science teacher, the goal for the class will always be to have fun while learning, exploring, and maintaining a safe environment for everyone to learn. I can't wait to meet you all. We are going to have a "pawsome" year!

MR. CLAUSEN

I will be teaching 6th grade Social Studies and Math here at Cheatham this year. I am in my 7th year of teaching and am very excited to start the school year. I look forward to getting to know my upcoming students and families and can't wait to have an amazing year.
