

Quarterly Incentive Agreement

September 20, 2021

Dear Cheatham Elementary Parents,

We are excited for all that this year has to bring! In order for us to achieve the level of mastery we are aiming for, it is imperative that students are on time daily and to perform at their highest potential. We are offering a fun event for students at **Main Event**, to be held at the end of the 2nd quarter for those students who are eligible. In order for your student to be eligible to attend this event he/she must do the following beginning **October 11th through December 3rd**.

- Students must be at school on time everyday (this includes being to every class/elective on time!). For this incentive, students can have no more than **three** tardies. For this incentive, tardies will be for **October 11th - December 3rd. (Teacher and parent/guardian communication on absences/tardies is highly encouraged. Teacher discretion will be used on a case-by-case basis).**
- Have their ID s every day; students cannot be without an ID for more than 5 days.
- Receive no “N” grades in Effort.
- Receive no failing academic grades (D’s or F’s).
- No office discipline referrals resulting in OSS or ISD
- Ratio of positive Live school points must = 80%

By signing this incentive agreement through the Google Form, you agree with the guidelines set for your child and would like your student to be eligible to participate in the event.
