## > > > LEARNING FOCUS < < <

**ELA** - As we finish the book Porpoises in Peril, we will continue to focus on context clues, sequencing, story structure, word choice, and visuals.

**MATH**- As we finish Chapter 1, we will continue to enhance our skills in rounding numbers and solving word problems.

**SCIENCE**- Concept 1.2 Energy and Motion  
In this concept, we will learn that work occurs when a force moves an object, and energy comes in different forms that can be used to move objects.

### Lesson 3: More Than Practice

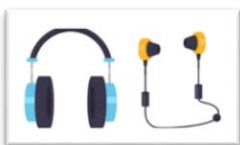

#### Summary

In this week's lesson, your child will learn that if they're practicing a skill but not getting better, they can try a new way of practicing or find someone to learn from.

#### Try This at Home

Ask your child to tell you something new they've been practicing at school. Ask if they can think of other ways to practice or someone they could learn from.

## > > > > HEADPHONES < < < < <

This week, fourth graders will begin using Chromebooks in our daily instruction and assessments.

We ask each student to bring a pair of headphones or earbuds in a Ziplock bag labeled with their names **by August 26th**. Wireless headphones or earbuds are not permitted.
