ELA- Mary Anning: The Girl Who Cracked Open the World

We will focus on the subject of the biography, sequencing, drawing inferences, and identifying the main idea and key details.

MATH- Chapter 2 Addition and Subtraction

We will focus on using place value to add and subtract numbers, understand the property rules, and solve word problems using key words.

SCIENCE- Concept 1.2 Energy and Motion

In this concept, we will learn that work occurs when a force moves an object, and energy comes in different forms that can be used to move objects.

SOCIAL STUDIES- Chapter 1 The Land and Native Peoples of North America

We will investigate the diverse cultures of the first inhabitants of the North American continent and compare and contrast the lifestyles adopted by different groups to survive in the varied environments of North America.

Lesson 4: Planning for Practice

Summary

In this week's lesson, your child will work with a partner to make a practice plan that includes what they want to learn, how they will practice, and what they can do if they aren't improving.

Try This at Home

Ask your child to tell you what a practice plan includes.
