> > > LEARNING FOCUS < < <

ELA- Fragile Frogs

We are going to read another text to learn how a different author writes about the work of researchers and scientists.

We will focus on main idea and key details, cause and effect, word choice, text details, and make connections across texts.

MATH- Chapter 2 Addition and Subtraction

We will focus on using place value to add and subtract numbers, understand the property rules, and solve word problems using key words.

SCIENCE- Concept 1.2 Energy and Motion

In this concept, we will learn that work occurs when a force moves an object, and energy comes in different forms that can be used to move objects.

SOCIAL STUDIES- Chapter 1 The Land and Native Peoples of North America

We will investigate the diverse cultures of the first inhabitants of the North American continent and compare and contrast the lifestyles adopted by different groups to survive in the varied environments of North America.

Lesson 4.1: Setting a Good Goal

Summary

In this week's lesson, your child's class will work together to set a 2-week goal that's specific, challenging, and doable.

Try This at Home

Ask your child to describe their class goal and explain what makes it challenging and doable for their class. Tell your child about a goal you recently set and what makes it challenging and doable for you.
