ELA- Why the Sea is Salty

In this new text, we will focus on describing the characters, settings, and events while drawing specific details in the text. We will also compare and contrast different point of views.

MATH

Chapter 3: Multiplication and Division

As we finish this chapter, we will continue learning different multiplication and division strategies.

Chapter 4: Multiply with One-Digit Numbers

In this chapter, we will learn different strategies in multiplying with one-digit numbers.

SCIENCE- Unit 2: Concept 2.1 Energy Resources

In this concept, we will focus on how we get energy from devices. We will explore different types of energy resources and understand where they come from. We will also explore how humans use them and the positive and negative effects our choice have on those resources.

SOCIAL STUDIES

Chapter 1: The Land and Native Peoples of North America

As we finish this chapter, we will continue to investigate the diverse cultures of the first inhabitants of the North American continent and compare and contrast the lifestyles adopted by different groups to survive in the varied environments of North America.

Chapter 2: The Age of Exploration

In this chapter, we will read how European exploration of the Americas changed the Americas forever. We will consider what Europeans had to gain as well as how exploration affected the lives and cultures of native people.
