> > > LEARNING FOCUS < < <

ELA- “How the Stars Fell into the Sky” and “Pecos Bill”

As we read the new texts, we will continue to focus on describing the characters, settings, and events while drawing specific details in the text. We will also identify the themes of the stories.

MATH- Chapter 4: Multiply with One-Digit Numbers

In this chapter, we will learn different strategies in multiplying with one-digit numbers.

SCIENCE- Unit 2: Concept 2.1 Energy Resources

In this concept, we will focus on how we get energy from devices. We will explore different types of energy resources and understand where they come from. We will also explore how humans use them and the positive and negative effects our choice have on those resources.

SOCIAL STUDIES- Chapter 2: The Age of Exploration

In this chapter, we will read how European exploration of the Americas changed the Americas forever. We will consider what Europeans had to gain as well as how exploration affected the lives and cultures of native people.
