## > > > LEARNING FOCUS < < <

### **ELA- John Henry**

We will continue to focus on describing the characters, settings, and events while drawing specific details in the text. We will also identify the themes of the stories and compare and contrast point of views.

### **MATH- Chapter 5: Multiply with Two-Digit Numbers**

We will learn different strategies in multiplying with two-digit numbers.

### **SCIENCE- Unit 2 Concept 2 About Fuels**

In this concept, we will:

- Describe patterns in how different types of fossil fuels are formed and predict the properties and uses of different types of fossil fuels.
- Show how energy flows from a fuel source to a transportation vehicle and is then emitted in the air.
- Describe how the use of energy and fuels affects the environment.

### **SOCIAL STUDIES- Chapter 2: The Age of Exploration**

In this chapter, we will read how European exploration of the Americas changed the Americas forever. We will consider what Europeans had to gain as well as how exploration affected the lives and cultures of native people.

## > > > SECOND STEP < < <

### **Bullying Prevention Unit**

#### **Lesson 4: Bystanders to Cyberbullying**

Students will be able to:

- Recognize and identify different ways of cyberbullying
- Understand that cyberbullying can be even more harmful than other types of bullying
- Demonstrate ways to support and stand up for a person being cyber bullied.
