### **ELA- Northwest Coast People**

As we finish the book, we will continue to focus on identifying main idea, key details, and summarizing the text. We will also explain events, procedures, ideas, or concepts in a historical text. Finally, we will interpret information presented visually and explain how the information contributes to an understanding of the text in which it appears.

### **MATH- Chapter 6: Dividing by One-Digit Number**

We will learn different strategies in dividing with one-digit number.

### **SCIENCE- Unit 2 Concept 2 About Fuels**

In this concept, we will:

- Describe patterns in how different types of fossil fuels are formed and predict the properties and uses of different types of fossil fuels.
- Show how energy flows from a fuel source to a transportation vehicle and is then emitted in the air.
- Describe how the use of energy and fuels affects the environment.

### **SOCIAL STUDIES- Chapter 2: The Age of Exploration**

In this chapter, we will read how European exploration of the Americas changed the Americas forever. We will consider what Europeans had to gain as well as how exploration affected the lives and cultures of native people.
