ELA- John Henry

As we finish the story, we will continue to focus on describing the characters, settings, and events while drawing specific details in the text. We will also identify the multiple themes of the story.

MATH- Chapter 6: Dividing by One-Digit Number

We will learn different strategies in dividing with one-digit number.

SCIENCE- Unit 2 Concept 2 About Fuels

In this concept, we will:

- Describe patterns in how different types of fossil fuels are formed and predict the properties and uses of different types of fossil fuels.
- Show how energy flows from a fuel source to a transportation vehicle and is then emitted in the air.
- Describe how the use of energy and fuels affects the environment.

SOCIAL STUDIES- Chapter 2: The Age of Exploration

In this chapter, we will read how European exploration of the Americas changed the Americas forever. We will consider what Europeans had to gain as well as how exploration affected the lives and cultures of native people.

Lesson 3.6 Why Emotions?

Summary

In this week's lesson, your child will learn that emotions give us information about what we want or need.

Try This at Home

Ask your child what information the emotions fear, sadness, and happiness give us.
