## > > > LEARNING FOCUS < < <

### ELA- The Longest Night

As we read this new story, we will continue to focus on describing the characters, settings, and events while drawing specific details in the text. We will also identify the point of view and multiple themes of the story.

### MATH- Chapter 6: Dividing by One-Digit Number

We will learn different strategies in dividing with one-digit number.

### SCIENCE- Unit 2 Concept 2 About Fuels

In this concept, we will:

- Describe patterns in how different types of fossil fuels are formed and predict the properties and uses of different types of fossil fuels.
- Show how energy flows from a fuel source to a transportation vehicle and is then emitted in the air.
- Describe how the use of energy and fuels affects the environment.

### SOCIAL STUDIES- Chapter 2: The Age of Exploration

In this chapter, we will read how European exploration of the Americas changed the Americas forever. We will consider what Europeans had to gain as well as how exploration affected the lives and cultures of native people.

### Lesson 3.7 How Angry?

#### Summary

In this week's lesson, your child will learn words for three degrees of anger: annoyed, angry, and furious.

#### Try This at Home

Ask your child to explain the differences between feeling annoyed, angry, and furious.

## > > > UPCOMING EVENTS < < <

- November 30** Early Release. Dismissal at 12:30
- December 2** Winter Festival. See Flyer Below.
- December 6** Field Trip at Arizona Science Center

This year's Winter Festival will feature obstacle courses (for both big and little kids), games, activities, student performances, photo opportunities, holiday gift vendors, food, and much more!

Admission is free. Tickets will be available for purchase for select activities. Credit cards accepted.
